Dear Parents

**CCF Army Section Weekend Camp 8 -10 October 2010**

This term's weekend camp is at Woolmer Pond which is on the Longmoor Training Area. All cadets should make the effort to attend as we will be conducting weapons testing on the new A2 rifle. There will be an opportunity on the Saturday to live fire on gallery 1 and for cadets to pass their marksmanship qualification.

Cadets need to parade at 0830 on Friday morning at School in full uniform. They should bring all of their kit, but I will go over equipment requirements on a Monday evening.

Cadets will end the exercise at School on the Sunday at 1300. If your child is likely to be in a sports team please notify me as soon as possible as it may be possible to arrange different departure/arrival times. **Please can I have returns no later than 1 October 2010.**

The weekends are an excellent opportunity for the cadets to put into practice everything they have been learning on Monday evenings.

Yours sincerely

**Capt B W Sheldrick**
