

Careers Bulletin – December 2011

You may be eligible to apply for gap year finance from the Bulkeley-Evans HMC Scholarship Fund. For further details please visit the PGS Careers Office or go to: www.gapyear-bulkeley-evans-hmc.co.uk. Applications for gap year projects for 2012-2013 should be submitted by 30 April 2012.

'Working Lunch' Series

To be continued in the New Year

Is there a profession you would like to know more about? Let us know and we will call in an expert.

Taster Courses and Workshops

The Careers Department has information on a variety of courses and workshops. Most are aimed at Sixth Form pupils, but some are available to years 10 and 11.

Choose from:

Engineering - Medicine - Chemistry - Veterinary - Forensics - Physiotherapy - Business

Please call into the Careers Office for more information

The University of London also offers taster courses in a wide range of subjects. Go to www.lon.ac.uk/tasters for more information.

Parents

Could you be Alan Sugar for a week?

We need work placements in a variety of professions for our Year 11 pupils. The placements can take place in July or August and should last for one week. Could you give a pupil a taste of what it is like to do your job? At the end of the week, no matter how well they have performed, we will let you say,

'You're fired!'

If you can help please email the Head of Careers at careers@pgs.org.uk
