Why not end the year in the company of old friends and new at the annual OP Club Dinner? This is the flagship event of the year for the Old Portmuthian Club. Many OPs use it as an opportunity to meet up with old friends and indeed some members make this the occasion to meet each other annually on what is generally agreed to be a convivial and memorable occasion in the school calendar. If you have never attended an OP Club dinner before, why not make this the year that you give it a try? Better still, why not put together a table of 8 or 10 friends from your Year Group, House or sports team? – The Development Office can put you in touch with your former classmates and help to find old friends. The OP Cricket Club is also planning a major gathering at the event to reunite its players from former years. The OP Club Committee would love to see a spread of former pupils from the 1930's to the 2000's.

Come and dine in style at this annual party for old acquaintances and friends. The format of the evening, together with menu and entertainment have been refined this year to provide a more informal atmosphere and plenty of opportunity to chat and reminisce.

Please come along and show your support for the Club and the School by completing the Booking Form at the back of *Opus*.
