Dear OP

### **NEW LOTTERY SCHEME**

We all like talking about the weather and now we have the opportunity to involve the weather in support of PGS! 'THE WEATHER LOTTERY' has been introduced at PGS with draws already taking place.

'The Weather Lottery' is simple to play – just select 6 numbers (between 0 and 9) to take part in up to four draws every week. The winning numbers correspond to the last digit of the temperatures of six locations around the world, as reported in the Daily Mail (no need to check though – you will be notified if you win). Every time you play you will be helping to raise funds for PGS Bursaries and develop facilities and resources for pupils now and in the future.

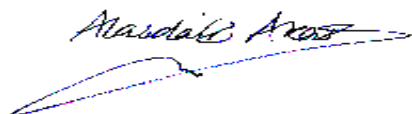

You can play in the 'Sunshine Lottery' (£1 per week entry, four draws every week) or the 'Lightning Lottery' (£2 per week entry, one draw per week). Join by completing the enclosed 'Sunshine Lottery' leaflet or complete an entry form on-line as follows.

1. Go to the Development Office section of the school website:  
[www.pgs.org.uk/development/development.php](http://www.pgs.org.uk/development/development.php)
2. Click on 'The Weather Lottery' in the list displayed on the left of the page.
3. Follow the instructions provided under 'How to Join' on the page displayed.

If you have any queries or need further information please contact Liz Preece:  
e-mail: [lpreece@pgs.org.uk](mailto:lpreece@pgs.org.uk) or tel.: 023 9268 1392.

We hope that you will support us by joining 'The Weather Lottery' now.

Yours sincerely,

A handwritten signature in blue ink that reads "Alasdair Akass". The signature is written in a cursive style and is positioned above a horizontal line.
