

Keeping in touch with OPs wherever they may be

**October 2010**

Dear OP,

Please find enclosed your copy of the Autumn 2010 edition of *Opus* which we hope that you will enjoy reading. We are delighted to announce that *Opus* has been shortlisted for a 2010 Independent School Award and are very grateful to all of you who have provided material and submitted articles to help make it a success. Judging takes place in November, so we look forward to updating you with news of how we fared in the spring. As always your feedback and comments about *Opus* are welcomed and we are always grateful to receive submissions for inclusion in the magazine.

There have been a couple of changes on the school website which have crossed over with the publication of the magazine. Information about the Development Office, the activities of the OP Club and further details of events for OPs and former parents listed on page 35 of *Opus* are all still available online at [www.pgs.org.uk](http://www.pgs.org.uk) but can now be found by selecting 'PGS Association' on the Home Page and then clicking on 'Development Office' and then 'Events'. The PGS Association is the umbrella body which draws together all the many constituent groups in the school community.

There are plenty of opportunities to reconnect with old friends or meet new ones this Autumn – not least at the Annual Royal Beach OP Lunch or OP Club Annual Dinner, booking forms for which are enclosed. If you haven't been to one of these regular fixtures in the OP calendar before, then they come highly recommended. We had record attendances at both occasions last year and are hoping for an even bigger turnout this year!

On behalf of the Headmaster, staff and pupils – and from Liz, Sue and myself here in the Development Office – may I take this early opportunity to wish you and your family a very Happy Christmas and thank you for your continued support for the school throughout the past twelve months. Why not make it your New Year resolution to come back to see us in 2011? We would be delighted to see you. Please don't forget to let us know if you change any of your contact details!

Yours sincerely,

Alasdair Akass  
Development Director  
The Portsmouth Grammar School
