Head of Nursery
Mrs. L. Johnson
22 January 2010

Dear Parents,

This week the children have had a great time in the Imagination Room making up imaginary stories about paramedics. They visited the school nurse on Tuesday morning and Boogie Mites came as usual on Thursday.

Next week the theme is 'Hospital'. The Imagination Room will be developed further, with children being encouraged to take telephone messages and record patient telephone numbers! Around the nursery activities will include reading hospital stories, making collage of a nurse and making 'get well' cards. The sound of the week is 'h' – so please bring items for the interest table. If you would like to help your child at home, please recall experiences with doctors or nurses.

Imagination Room / Under threes

The new children are settling really well with Miss O'Mara and Miss Saunders. They are also enjoying the opportunity to play both in the Imagination Room and the rest of the nursery. The door of the Imagination Room is closed during group times and at the end of each session, so the youngest children can spend some time getting to know each other well. The organisation of the day for the under threes is displayed on the wall of the imaginative room.

Holiday Care

Please let Mrs Heyes know as soon as possible if you would like your child to attend during the February half term break. The last day to secure a place is Friday 29 January.

Reminder – Parent / staff social next Friday.

Reminder – Please label your children's hats, scarves and gloves – we are getting very confused! Thank you.

Have a restful weekend.

Lois Johnson
