

# PGS Beachwatch 2011

Walk along a UK beach and, on average, you'll find 2000 pieces of litter per kilometre. Beach litter is now a problem on a global scale and has major impacts on wildlife.

Come and  
collect.

Join in  
and help.

We will be meeting at 9.45 am on Sunday 30th January, at the end of the public car park on the beach between Gunner Point and the Ferry on Haying Island, but not in the Ferry Boat Inn pub car park.

The pick will begin at 10am after we've had a health and safety briefing; clear instructions will also be given on exactly how the 'pick' is to be carried out. The event will be finished by 11.15/11.30 and pupils can be picked up from the car park where they were dropped off. [FREE PARKING AT THE MOMENT.](#)

See you at 9.45 am  
Sunday

Remember: a completed consent form must be handed in to LD on or before Sunday 30<sup>th</sup> January 2010. This new form will clear you for the year.
