Dear Parents

**Year 9 Monday Activities – Astronomy Trip to Spinnaker Tower**

On Tuesday 17 January, BBC Stargazing Live will be taking place at the Spinnaker Tower. In preparation for this, I will need to visit the Tower on Monday 16 January to set up some exhibits. I would like to give my Year 9 Astronomy Group the opportunity to visit the Tower with me and to help to set up an exhibit about the Solar System. There will be no charge for this visit.

The visit will take place during the normal activity session from 4pm-5pm on Monday 16 January. We will walk to and from the Spinnaker Tower as it is only a short distance from school. As some pupils travel home by train, they may want to go straight to Portsmouth Harbour station at the end of the visit. If this is the case, please indicate on the reply slip below.

I hope that you will give your permission for your child to take part in this visit and look forward to receiving a completed reply slip and trip form from you by the end of this week, Friday 13 January.

Yours sincerely

Jeremy P Thomas
