Any additional sessions or details: Please feel free to come along to the office (3009) or 3014 at any time as we may well be available at other times, including the usual clinic times on Monday and Tuesday. We have listed various topics for each session; the focus will be ‘pupil-led’ so come armed with queries/concerns that we can fit into around our lists of revision ‘hotspots’!

Do get in touch if you would like any additional sessions the following week 14-18th June in preparation for paper 3 (Child and Criminal, 21 June) as we will be free in our usual Year 13 lesson slots and similarly, the following week, any time between 22-29th June, for the Paper 4 exam, (clinical and issues and Debates, 30 June). It is strongly recommended that you do make contact in these two weeks and watch out for the plethora of additional support emails coming your way: I won’t wish you luck, as we won’t be leaving anything to chance will we! Instead I wish you happiness and success! Go for it! :O)
