

The Portsmouth Grammar School Nursery,
High Street,
Portsmouth,
PO1 2LN
Head of Nursery
Mrs. L. Johnson
18th July 2008

Dear Parents,

It seems impossible, but the end of the school year is already here and this is the last newsletter before the summer holidays. I would like to take this opportunity to say 'thank you' for supporting your children throughout the year. You have given such invaluable help in such a wide variety of ways that I cannot even begin to name them all. So, a big 'thank you' for being wonderful parents!

Thank you for supporting the 'Big Toddler' – I am delighted to let you know that a very grand total of £312.50 has been raised!

This week the children have been very busy playing both inside and outside. The fine weather has made such a difference. Sadly for us this week is, for some children, the last time they will attend nursery – as they are off on holiday and then on to 'Big School'. All the nursery staff would like to wish these children every happiness and success – they will really be missed.

Please let us have any nursery uniform you don't need any more – we are always in need of spare clothes for the 'spares' cupboard. Thank you.

Please have a careful look through your book shelves at home, and return any nursery library books you find. Thank you.

The theme in the nursery next week is 'Colours of the rainbow'. We are hoping to make re-arrange the role-play area, use squares to complete an 'Elmer' picture, read 'Elmer' stories, look at the spectrum, and make rainbow pictures. The letter of the week is 'b'.

For those remaining with us for another year – don't forget, next term begins on Monday 1st September and packed lunches are needed for the 1st and 2nd September.

Details of 'Key person' groups for September 2008 have just been finalised, sorry for the lateness of this, but a list is now on the parent's notice board. A note will be placed in your child's tray informing you of their key person for September 2008.

Have a wonderful summer break.

Lois Johnson.
